Section B – Information for Faculty (including TPD, Supervisors, MEMs, LFG Admin and others supporting BBT in the employing and host Trusts and GP practices)

Section C – General Information

Section D - Conference/events/courses

Section A – Information to share with BBT Trainees and ES

(Dear Supervisor – PLEASE share the content of the bulletin with your trainee)

Timeline for assessments

A reminder that the induction appraisal with the CS for the trainees' 2nd post should already have been completed. The interim review for ARCP undertaken with ES, should be completed by 29th April. This can be arranged remotely. All assessments for the current BBT placement and review of BBT programme with ES should be completed by 17th June 2016. Please also ensure Equality and Diversity mandatory training is completed by this date. See [Assessments Timelines](#) for more information.

10% Specialty: 13th – 29th April BSUH, Frimley and SASH, 5th – 21st April, Dartford

The dates for the 10% have changed due to the junior doctors' industrial action. As this is an opportunity to explore a different specialty and the integration between BBT specialties, please document your learning. The trainees should write at least one learning log about their 10% and also a learning log about a case crossing two specialties.

GMC Trainee Survey – information and timelines

Advanced Notification

The GMC and HEKSS are preparing for the National Training Survey that will again take place in 2015.

TRAINEE SURVEY 2016 - survey census date as **22nd MARCH 2016** and **must** be completed by all trainees who are in post on that date. Failure to complete the survey will be monitored and will be available to ARCP panels when making their decisions regarding satisfactory progress. This survey is a professional responsibility, and it is your chance to influence training in the future – do not miss that chance.

The survey is open until 4th May 2016 (Survey refers to the post you are in on 22nd March). The GMC will contact all trainees that are in training using the details they hold on their system and will invite them to complete the survey. Any trainees that are out of programme on the census date are not expected to complete the survey.

HEKSS WOULD LIKE TO REMIND ALL TRAINEES THAT UNDERTAKING THIS SURVEY IS A PROFESSIONAL RESPONSIBILITY and ES, CS, GP Trainers and Programme Directors are asked to encourage all BBT trainees to complete the survey.

Section B – Information for Faculty

ARCP

The summer ARCP meeting will be held on Thursday, 14th July, 10am-1pm at Stewart House, London. We are convening a panel with an educational supervisor from each specialty. The panel still requires a representative from psychiatry, if you are able to attend, please contact Elena Gonzalez, EGonzalez@kss.hee.nhs.uk

Faculty Group Meetings

We welcome Educational Supervisors and those engaged in the BBT programme to attend the BBT Faculty Group meetings. These meetings are a good opportunity to share experience of delivering the BBT programme across HEKSS.

The next meeting will be held: 18th May 2016 **2.30pm-4.30pm** in **Postgraduate Education Centre, East Surrey Hospital, RH1 5RH**. We look forward to seeing as many of you as possible. Dial-in facilities will also be available.

At the last faculty meeting in February, we decided to discontinue the learning set. If there are supervisors, who would like to meet for a learning set, please inform the programme director, Mary-Rose Shears, mshears@kss.hee.nhs.uk

Section D - Conference/events/courses
